RE-ADJUSTMENT IS
IN FULL PROGRESS

Big Business Man Says Spending Fever is Abating And Prices Tumbling Rapidly

Takes Optimistic View of Industrial Situation in America

Bank Deposits On The Increase

(By Associated Press)

Boston, Mass., October 4.—An optimistic view of the general industrial situation in America was expressed by Thomas E. Wilson, president of the Institute of American Meat Packers in an address before the Investment Bankers' Association of America here today.

He referred to recent declines in prices of many commodities and said the process of readjustment was "in full motion."

"The pressing necessity of the present," he said, "is to maintain a courageous and optimistic morale."

"There may be pessimists here and there who are apprehensive only a panic can result from the extraordinary world conditions created by war."

"In my opinion such a catastrophe is not probable so long as the true American spirit continues to animate our institutions."

"The manufacture of luxuries is being curtailed. The spending fever is abating. Commodity prices are falling and further deflation seems to be in progress. Favorable crop reports come from every section. There is great encouragement to be drawn from the fact there has been a substantial increase in bank deposits during the last few months. Individual savings accounts show marked improvement."

MAKE INQUIRY
INTO SHIPMENT
OF RUSS GOLD

Belief Exists That Recent Shipment Was For Propaganda Fund.

Federal Reserve Bank Statement Brings Receipt To Light

(By Associated Press)

Washington, October 4.—Inquiry into the source of the recent shipment of Russian gold to the United States has been ordered by the Department of Justice.

Belief exists at the Department that the gold may be a part of the Russian Bolshevik propaganda fund.

Receipt of the shipment totalling \$239,636 was announced last week by the Federal Reserve Board in its periodical statement on gold imports and exports.

The Federal Reserve Board statement contained an item merely recording receipt of the gold from "Russia in Europe."

Board officials suggested the shipment might have been one which started to this country before America's declaration of war.

BIG WELCOME

(By Associated Press)

Dayton, October 3.—Governor Cox was given a warm welcome home reception tonight upon returning from his month's western trip, arriving here about six o'clock the democratic presidential candidate was cheered by several thousand as he stepped from his private car.

Greatest Drop More Than Twelve Cents Per Bushel — Market Bad At Close

Flour Takes Another Drop Of 10 to 60c Cents Per Barrel

(By Associated Press)

Chicago, October 4.—Drastic cutting of prices took place in the wheat market today. In some cases as much as 11½ cents a bushel was slashed from values, the December delivery at one time bringing only \$1.96 as against \$2.07½ at the finish Saturday.

Increased liquidation by holders was in progress especially from rural sources.

Acute depression developed at the last and the market closed semi-demoralized at the lowest prices of the day showing a net decline of 11½ cents to 12½ cents with December \$1.95 to \$1.95½ and March \$1.91 to \$1.91½.

FLOUR DROPS

(By Associated Press)

Minneapolis, October 4.—Flour prices continued their downward trend when mills affected a reduction of 10 to 60 cents a barrel for family patents here today.

One large mill's quotation was reduced from \$12.15 to \$11.55 a barrel.

SUPREME COURT
JUSTICES CALL
ON PRESIDENT

First Time Since 1918 Visit Has Been Made

(By Associated Press)

Washington, October 4.—For the first time since 1918 President Wilson received today the Justices of the United States Supreme Court, who called to pay their respects.

The Court convened at noon after its summer recess and immediately adjourned until tomorrow so the Justices might visit the White House.

The annual visit to the President was omitted last year because of Mr. Wilson's illness.

HAS FAIR NIGHT

(By Associated Press)

London, October 4.—Terrence MacSwiney passed a fair night at Brixton having had several hours of sleep, but it does not seem to have refreshed him much, said a bulletin issued this morning.

Doctors do not find much change in the condition of the Lord Mayor except he is very weak. This is the 53rd day of his hunger strike.

MAN NOW
ON TRIAL

"Ropes" O'Brien, Who Has Sent 15 Men to Die Next Week, Says Death Will Be Asked.

(By Associated Press)

Chicago, October 4.—Lieutenant Carl Wanderer went on trial for his life today, charged with the murder of his young wife and a "ragged stranger," whom Wanderer tricked to his death to substantiate a story of an attempted hold-up.

James C. "Ropes" O'Brien, Chicago's "hanging prosecutor," announced the death penalty would be asked.

O'Brien, who always wears a red necktie when trying murder cases has brought about during the last few months a conviction of 15 slayers who are to be hanged next week.

Wanderer's defense will be based on a plea of hereditary insanity.

SUGAR HITS
ANOTHER LOW
RECORD PRICE

(By Associated Press)

New York, October 4.—New record prices for the year were established in both the raw and refined sugar markets this morning.

Prices were half a cent lower than at the close of last week with raw sugar selling on the basis of \$8.51 duty paid, while refined was quoted at 12½ cents a pound by the Federal Sugar Refining Company.

HARDING SAYS
HE APPROVES

(By Associated Press)

Marion, O., October 3.—Reports of a break between Senator Harding and leading irrecconcilables over the treaty issue again were denied tonight by the republican presidential nominee who said he had received detailed information of public speeches by irrecconcilable senators and had found in them no lack of harmony with his own views.

"I approve of what Senator Borah has said in his public addresses," said Senator Harding.

Delivers Address at Unveiling Of Memorial at Freemont

Tells Audience Patriotism Of American Soldiers Shining Example.

(By Associated Press)

Marion, O., October 4.—Senator Harding left Marion today by motor to make a speech near Freemont, O., 70 miles away, at the dedication of a Memorial tablet in honor of soldiers who lost their lives in the great war.

In the address prepared for the occasion Senator Harding praised heroism of the American expeditionary force and asked their services be made an example to American citizens in peace time patriotism. He did not touch on political issues.

The memorial tablet stands in Hayes Memorial Library there, which is a part of the old Hayes estate and today was selected for the unveiling because it is the birthday of the former president, Rutherford B. Hayes.

FIRST WOMAN
JUROR CHOSEN
IN THIS COUNTY

For the first time in the court annals of Fayette county a woman has served on a grand jury.

The women bearing the distinction of being the first woman jurist in Fayette county is Mrs. Ida Gillespie, of this city, who was summoned to a place on the October grand jury which convened Monday morning, filling a vacancy due to a member drawn who could not be present.

Mrs. Gillespie, when notified of her selection, soon appeared at the Court House and took her place in the jury box with the other investigators.

The departure from the old rule, made possible by the recent enfranchisement of women created quite a little flurry about the court house and is arousing deep interest generally, and particularly among the women.

The action of the authorities here in summoning women was also followed in Clinton county, where three women were called to take the place of members of the jury who were unable to appear.

Women may now serve on both grand and petit juries, and when the jury wheel is replenished the names of women will be added so that mixed juries will soon be common.

(By Associated Press)

New York, October 4.—Federal agents at Pittsburg were asked today by the Department of Justice for a full report on the arrest there of Florean Zelenaka, who is being questioned concerning the mysterious explosion in Wall Street last month.

WILSON SPEAKS
ON LEAGUE ISSUE

(By Associated Press)

Washington, October 3.—President Wilson in his first campaign appeal tonight urged the endorsement of the league of nations issue at the election and declared "the whole world will wait for your verdict in November as it would wait for intimation of what its future would be."

President characterized as "absolutely false" assertions that article ten would make it possible for other nations to lead the United States into war. There was nothing in the covenant "which in the least interferes with, or impairs the right of congress to declare war or not declare war according to its own independent judgment as our constitution provides."

"My fellow countrymen" was the president's method of addressing his communication to the people. It contained no mention of presidential candidates by means but was confined to a brief defense of article ten and criticism of those whom he declared had grossly misled the public with regard to the treaty.

STRONG
APPEAL
MADE TO
WOMEN

Cox Urges Women to "Stand By Pledge" to Men Who Gave Lives in World War.

Says Wrath of Women Will Follow War Lords Throughout Eternity.

(By Associated Press)

Dayton, O., October 4.—At home from a campaign tour that took him more than 11,000 miles and into every state west of the Mississippi river except three, Governor James M. Cox today continued his plea for adoption of the league of nations, the paramount issue of the campaign.

In an address to a body of women today the Governor went into considerable detail why women should support the league cause, asserting that throughout the years they have been "the leaders of progress in the world" and declaring that wrath of the women who were made to suffer in the war will pursue Franz Joseph, William Hohenzollern and Nicholas Romanoff "throughout all eternity."

He detailed the following social service and justice program which he asserted members of the league will endeavor to carry out:

"Try to secure and maintain fair and humane conditions of labor for men, women and children—thus lifting the standard of living everywhere."

"Try to secure and maintain freedom of communication and of transit and equitable treatment for the commerce of members of the league."

"Labor together in the effort to control and ultimately eradicate disease."

"Set up commissions for the prevention of the illicit traffic in arms, in dangerous drugs, and in women for immoral purposes."

"The women of America," Governor Cox continued, "will vote to keep our pledge to 81,000 heroes whose blood has crimsoned the poppies of Flanders fields. They will vote for the limitations of armament, the arbitration of disputes, the publication of secret treaties, the lessening of distress and elevation of labor conditions to higher standards."

SPEAKER'S TEAM
CLINCHES FLAG
IN AMERICAN

Detroit, October 2.—Cleveland won its way into the world series games this afternoon, capturing the American League pennant with a 10 to 1 victory over Detroit. Cleveland needed but half a game more margin in the league race to remove definitely the possibility of a tie with Chicago.

Tris Speaker, the Cleveland manager, was the idol of the 10,000 fans throughout the game. He was given an ovation when he stepped to the plate in the first inning and was cheered at every opportunity from then on. Speaker responded with five brilliant fielding plays and three hits in six times at bat.

Oddly enough, Speaker made the final out of the game, which brought his team the championship. A fan jumped from the bleachers and asked Speaker for the ball, but the manager refused saying he wanted it as a keepsake.

Demand For The World Series Greatly Exceeds Capacity

Weather Man Promises Good Weather

(By Associated Press)

New York, October 4.—Indicative of the interest of the world series, the first game of which will be played in Brooklyn tomorrow was the announcement today by the Brooklyn management the demand for seats has far exceeded the capacity of the field.

Thousands of applications and accompanying checks will be returned by the club, it was said. The demand has been greater than that four years ago.

The weather bureau promises favorable weather for the opening of the series.

Speaker Formulates Mode Of Attack On Dodgers

Team Leaves Cleveland Tonight For East

(By Associated Press)

Cleveland, O., October 4.—Tris Speaker, manager of the Cleveland Indians, today formulated his mode of attack against the Brooklyn Dodgers, National League champions, in the coming world series, the first game of which is to be played at Brooklyn tomorrow. The team will leave Cleveland tonight.

Although Speaker would not announce who his pitching selections will be in the first game tomorrow, it is likely Jim Bagby, who won 31 games for the Indians this season, may be called upon. Stanley Coveleski and Walter Mills both are ready and may be called upon if Speaker does not think Bagby has had sufficient rest.

ESCAPED AN OPERATION

By Taking Lydia E. Pinkham's Vegetable Compound, Many Such Cases.

Chiro, Ill.—Some time ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would fall on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I began taking it. I have never felt better than I have since then and I keep home and am able to do all my work. The Vegetable Compound is certainly one great medicine.

Mrs. J. R. McGraw, 3211 Symamore Street, Cairo, Ill.
Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this, but the above letter, and many others like it, amply prove that many operations are recommended when medicine in many cases is all that is needed.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

ALL NEW HOLLAND HONORS SOLDIER IN LAST SERVICE

Body of Ray Archie Dixon, who Died in France in 1918, is Buried With Military Honors Sunday morning.

The largest funeral ever held in New Holland honored the flag draped casket of Archie Ray Dixon, son of Milton Dixon, who died of pneumonia in France in October, 1918, while serving with the 399th Engineers, in services, at the chapel in the New Holland cemetery Sunday morning at ten-thirty o'clock.

At the request of the father, the soldier's body was removed from one of the French cemeteries and sent back to this country for burial. It arrived last Monday and has since rested in the chapel.

Services were in charge of the American Legion, which attended in a body in uniform. Rev. Keifer, of the M. E. Church of New Holland, spoke the last words over the casket from the chapel steps and the body was borne to the grave by ten ex-service men: Tod Doyle, William Reis, Carl Wood, Strand Gilmer, John Straley, Pearl Wood, Harry Orahoad, Oscar Plack, James Helser, Robert Whitner. As snaps sounded over the grave hundreds stood with bare heads in deep tribute to the man who had given his life while serving his country.

SEWER PLUGGED WITH ASPHALT CAUSES TROUBLE

Asphalt That Ran From Buried Feed Pipe Into Man-Hole Stops Up Main Sewer on South North Street.

Workmen are taking up sections of the main sewer on South North street to remove several feet of pipe filled with asphalt.

When the plant of the Andrews Asphalt Paving Company was in operation on the Pennsylvania track on South North street one of the feed pipes burst and the asphalt preparation ran into the street in a stream. Two manholes are located near the

spot flooded with asphalt and it is believed that it ran into one of these in sufficient quantities to plug up the sewer.

City Engineer Jacobs viewed the work of excavation Monday morning and stated that there appeared to be six or eight inches of asphalt in the sewer while it was impossible to tell without further digging how far it extended either way up the street.

The asphalt has hardened into a stone-like mass and cannot be removed without taking up the pipes filled with it.

It was stated that the work will be done by the Andrews Asphalt Paving Company under the direction of the city officials, and that the street will be repaired in proper manner.

TWO AUTOS CRASH ON SABINA PIKE

Two automobiles crashed together on the Sabina pike near the fair grounds, Sunday evening and Mrs. Amanda Brown was painfully hurt.

Mr. and Mrs. Harley Blair, Eastern avenue and Forest street, and Mrs. Brown, who is Mrs. Blair's mother, together with Mrs. Ed Estle, East Third street, were coming into this city when another touring car approached. The Ford was knocked to one side of the road and Mrs. Brown was thrown against the side of the car with such force that it was necessary to summon a physician. The others in the car were not injured.

The Blair auto was badly damaged. One of the front wheels was broken and a fender was smashed while the radius rods were also broken.

The driver of the car said he was from Wilmington. The license number on the car was 54,594.

TIGERS DEFEAT DERBY TEAM

In the fastest game of ball ever played at Derby the Jeffersonville Tigers defeated the Derby Athletic club Sunday afternoon 1 to 0.

The only score of the game came in the sixth inning when Whitehead was hit by the pitcher and stole second and third. Heironemus tapped a slow grounder to the Derby pitcher who was slow fielding the ball and then threw it wild over the first baseman's head. Whitehead scoring.

Hunter on the hill for Derby, was in rare form and allowed two hits and fanned fifteen batters while Heironemus pitched one of the best games of his career in holding the opposition to five scattered hits and whiffing thirteen. Jeffersonville accorded Heironemus perfect support while two errors marred Derby's game. Miller handled Heironemus' pitching in good style.

It was the second victory for the Tigers in two days. On Saturday they defeated Jamestown 5 to 3, with Spangler pitching on the Jeffersonville diamond.

STOOD HARD TEST FOR LIMA CITIZEN

Declares since he took the root and herb remedy Drego, that his backache, constipation and liver troubles have disappeared — overcame catarrh.

"It is great to feel well once more, and be free of pains and aches," said Mr. Philip Archinal, the highly respected Brickmason of 442 West Hall St. Lima, Ohio.

"I am 63 years old but feel young and supple. This Drego medicine has knocked all that backache out of me. Brick-laying is the supreme test on a man's back, and mine was giving me a lot of trouble. I hurt to stoop over, kidneys were out of condition, and I frequently had headaches, dyspepsia and gastritis. My liver was lazy and I got quite bilious. I had catarrh of the head very bad. I'd be filled up every morning with mucus and it would take several hours before I'd get it cleared up.

"I've always believed in the old style root and herb remedies so when I learned that Drego was made from the juices of twelve different herbs, I bought a bottle. It sure got to work on me quick; my bowels began to act free and easy; my liver took on new life and threw off the excess bile; my tongue cleared up and the bad taste in my mouth ceased. In the morning now I get up with my head almost clear, showing that the catarrh is much better. By the time I take a couple more bottles, I'll be as well as I ever was in my life."

All druggists now sell Drego and it is being especially introduced in Washington C. H. by Frank Christopher.—Advt.

Let's Make Good

Two years ago, while the American armies were fighting the battles for freedom in Europe, when the great American drive, as well as the English and French drives farther north on the great battle line, were taking form and beginning to move, in what was destined to be the greatest military attack in the history of the world and while doubt, after four long years of war, was present with our hope of ending the struggle, in those co-ordinate attacks, we made ourselves some solemn promises.

We, back here in glorious, free America, doing our part as well as we could to sustain the soldiers at the front, in our agony of suspense, promised that those soldiers should never be forgotten; that we would do all we could for them. Remember those days?

Lest some of us forget it is well to call attention to the fact that one of these American boys who was "over there" two years ago, fighting for America and winning honorable mention for bravery is a candidate for office this fall.

He is a good, clean, clear eyed wholesome young man. He is blessed with a good mind, a good conscience, a good education and an honorable determination. He wants to be elected to represent this district in Congress and his name is Paul Dye. He lives at Urbana, Ohio.

He is a candidate on the Democratic ticket and his opponent is S. D. Fess of Yellow Springs, the Republican candidate.

We are going to urge Fayette county voters to support Mr. Dye and vote for him—not because he is a Democrat and not because Mr. Fess is a Republican, but because Paul Dye will make just as good a representative of this district in Congress as Mr. Fess has been since 1912.

He is young, he is full of enthusiasm, he is in touch with the people, he was a part of that great army which went into action in France and we feel safe in guaranteeing that if he serves four consecutive terms in Congress as Mr. Fess has, his record of service will not suffer by comparison.

He is young? Yes, that's true, but not too young. He was not too young to represent us in war and surely he is not too young to represent us in peace. Then, sometimes a man is too long in office to render good service.

He measures up the equal of Mr. Fess as a candidate in every other way so why not, fathers, mothers, sons and daughters of this county, send him to Congress. Let's make good on our promise made to ourselves during the war.

Then, too, there is no good reason, apparent now, why Mr. Fess should be returned to Congress except that one which is purely personal to him—the salary which would come with election to another term.

It looks like a forlorn hope for Paul Dye, the district is so overwhelmingly Republican?

May be it does look like it at first, but not if the men and women will remember to vote for him and anyway, even if he is not elected the consciences of those who redeem their promise to remember the boys "over there" will be much easier.

Paul Dye should be elected representative to Congress from this district. Even aside from his record of war service he should be elected. He will make a better representative than Mr. Fess has made or will make if elected again.

West Virginia Grows

The large growth recorded by the state of West Virginia in the census figure totals now being announced is not surprising. West Virginia for many years prior to and even for a number of years after its formation, as a state, was considered the worthless land of Old Virginia—not fit for anything much.

But during the last quarter of a century the change in the needs of humanity have brought West Virginia to the forefront rapidly. As a producer of wealth as we consider wealth now days, the state ranks at the top.

While the old dominion cast off that great western section in war times, giving it hardly a passing regret, she little foresaw the wealth that was to be yielded up by the rugged mountains of the wild regions.

Of course West Virginia has grown and it will grow more in importance, wealth and population.

POETRY FOR TODAY

THE CRISIS

Once to every man and nation comes
The moment to decide,
In the strife of truth with falsehood,
For the good or evil side;
Some great cause, God's new Messiah,
Offering each the bloom or blight,
Parts the goats upon the left hand,
And the sheep upon the right,
And the choice goes by forever 'twixt
That dark ness and that light.

Hast thou chosen, O my people, on
Whose party thou shalt stand
Ere the doom from its worn sandals
Shakes the dust against our land?
Though the cause of evil prosper, yet
'Tis truth alone is strong,
And, Albeit she wanders outcast now,
I see around her throng
Troops of beautiful, tall angels to en-
shield her from all wrong.

New occasions teach new duties;
Times make ancient good uncouth;
They must upward still, and onward,
Who would keep abreast of truth;
Lo, before us gleam her campfires!
We ourselves must Pilgrims be,
Launch our Mayflower, and steer boldly
Through the desperate winter sea
Nor attempt the future's portal with
The past's blood-rusted key.
—James Russell Lowell.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

A wedding of much interest especially in the New Holland vicinity, where the families are prominent took place Saturday evening at five o'clock when Miss Ruby Garrison was united in marriage to Mr. Dwight Grimes.

The bride, the attractive daughter of Mr. and Mrs. Wayne Garrison made a charming appearance. In suit of brown velvet, with seal collar and pockets, georgette blouse and brown velvet hat, with brown shoes and gloves.

The bridegroom, is the son of Mr. and Mrs. Albert Grimes, a graduate of the New Holland High School and a fine young fellow who has been associated with his father in farming and is now operating his own farm.

Rev. Z. E. Irvin performed the ring ceremony at his home in East Market street. The young couple were accompanied by the bridegroom's father.

Mr. and Mrs. Grimes went at once to their own home in New Holland, which was furnished and in readiness. They are receiving the best wishes of a host of friends.

Twenty-five of the Junior Endeavors of the First Presbyterian Church enjoyed a picnic supper at Cherry Hill Saturday evening, with their leader, Miss Phyllis Davis in charge, assisted by Miss Elizabeth Davis.

Miss Fern Sunkle assisted by Mrs. Herman Price took the Minnetoska Girls of the Y. W. C. A. on a weiner roast to the Parrett farm, Friday afternoon.

A big fire with the roasting of weiners was not the only features in the jolly afternoon.

Forty representatives of the Ater and Morris families gathered at the home of Mr. and Mrs. C. C. Morris, two miles beyond New Holland, Sunday for the Ater-Morris reunion.

The beautiful day and the sumptuous basket dinner combined with the pleasure of the family gathering in making the day delightful. There was music and a family history read.

In compliment to Mrs. J. A. Worrell, who is soon leaving for her new home in Columbus, Miss Fanny Persinger brought together several tables of the honor guests' special friends for Bridge, Saturday afternoon.

The hospitality of the home were delightfully extended and a delicious collation served at the close of the game.

Pall flowers were prettily used in decoration and beautiful little baskets of pink and white snap dragons and swansonia adorned the tables.

Mrs. Harry Fitzgerald of Columbus, was also in the receiving line and the

TUESDAY LUNCHES AT Y. W. C. A. ROOMS

The Young Woman's Council of the Y. W. C. A. is inaugurating Tuesday October fifth, a noon day lunch at the Y. W. rooms for business women and High School girls and will be conducted along the lines of the Tuesday lunches of the Y. W. C. A. at Ohio State University. The Lunches will be served Tuesday of each week.

As this is the first undertaking of its kind in this city those in charge desire the young women who are interested and will attend the first lunch to kindly call the Y. W. C. A. not later than 8:30 o'clock Tuesday morning in order that some estimate of those to be served can be made.

The lunch will be served at cost as the object is not to make money but to bring the young women together socially.

The hours of serving will be from 11:30 to 1, thereby enabling every one to come at their usual noon hour.

ANSWER TWO CALLS IN LESS THAN HOUR

The fire department answered two calls Monday afternoon in less than an hour. First call came at 1:35 from home of John Byron, Health Officer, on Draper street, when some waste paper beneath the floor of the house blazed and the second call came forty minutes later from the Straud home Lakeview Avenue.

No damage resulted from the first fire and the blaze had been put out when the firemen arrived at the Straud residence.

TO REESTABLISH STRENGTH AFTER SICKNESS

How Many People in This City Have Done So.

There is one great drawback to recovery for a person who has been sick, and that is poor devitalized blood and consequent weakness, nervousness and depleted strength. If people in this city who have been ill and are still in a weakened condition could only realize the value of Vinol to enrich the blood, create a hearty appetite and restore strength, druggists would not be able to supply the demand.

For all run-down, nervous, anaemic conditions, and for delicate children and feeble old people, there is no other remedy like Vinol.—Advt.

Rectal Specialist

Dr. L. M. Ross, 165½ N. High St., Columbus, O., will visit Washington C. H., Thursday, October 7th.

This will afford all sufferers with PILES, FISTULA, ITCHING, FIS-SURE or any other rectal disease or diseases resulting therefrom such as rheumatism, Bright's disease, Diabetes, prostatic and other diseases of men as well as certain diseases of women an opportunity to consult a specialist who employs non-surgical and humane methods of treatment.

You can appreciate what this means by the following statement by Mr. John Peterman, Route No. 8, London, O.:

"I was bothered with piles for 35 years. Was operated on in one of our best hospitals by one of the leading surgeons. Have consulted specialists and tried 'home' remedies as well as advertised 'cures' and obtained only slight relief. Finally I became so nervous and weak that I could scarcely do any work. As a last resort I consulted Dr. Ross and after treatment I am entirely cured. My bladder trouble as well as the aching in my back and legs are all gone. Any one desiring may write me as to the truth of this statement.

Don't wait until you have suffered years, but seek permanent relief now. Dr. Ross guarantees results or no pay, and no charges are made for consultation and advice. He will be at the Cherry House for one day only. Those who make appointment in advance will receive attention first. A booklet on rectal diseases will be sent free. Ask for it.

Fordson

TRADE MARK

Farm Tractor

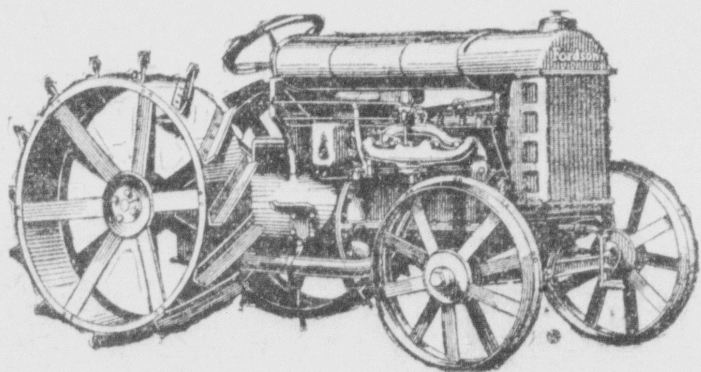

More than 100,000 Fordson tractors have been sold to farmers in the United States. They are helping those farmers do more and better work in less time and at less cost. North, East, South, West—everywhere the Fordson has proven itself a money-maker and a real necessity to the farmer. Besides it is helping mightily to solve the labor problem.

These one hundred thousand and more practical farmers have affirmed the economy—the exceptionally low fuel and operating cost—of the Fordson; its time and labor saving qualities and its ability to increase production. The Fordson was built to be the most economical tractor, it is compact and devoid of excessive weight. And it is built of the same strong iron and steel as the Ford car.

Winter or bad weather does not hinder the Fordson's usefulness. Day or night—twenty-four hours a day if you choose—you can utilize the Fordson.

Only so many Fordsons are allotted this territory. Orders are being filled in sequence—first come first served. Let us have yours now.

There's a practical use for the Fordson every day of the year. Let's tell you. Come in and have a tractor talk. Give us the chance to make a demonstration on your own farm.

W. H. MORSE, of Seattle, Wash., who says he can now turn out as much work as he could thirty years ago, in spite of his age. Gives Tanlac credit for his splendid health.

"I am in by eighty-fifth year, but since taking Tanlac I am as hale and hearty as I ever was and can do as much work as I could thirty years ago," declared W. H. Morse, of 52 Blaine St., Seattle, Wash., Although in his eighty-fifth year, Mr. Morse is still daily to be found engaged in hard work down at the Ames Shipyard and is remarkably well preserved for his years.

"Last spring I had an attack of the flu that left me in a very badly run down condition and so weak that I could hardly get around. For a long while I had a very bad cold that I couldn't shake off and my bronchial tubes were so choked up that I was coughing all the time. I had no appetite and in fact ate so little that I was steadily losing weight. I couldn't sleep at nights and became very much worried about my condition, because I couldn't find anything to straighten me up and restore my lost strength.

"I saw by the papers what fine work Tanlac was doing for other folks, so I got some for myself. It did me good right from the start, for in a very short while my cough left me, and I was eating fine and sure did enjoy every mouthful I slept better at nights and was soon feeling much better in every way. I have gained seven pounds in weight and am so much stronger that I can turn out about as much work as most any other man, in spite of my years. Tanlac certainly must be a great medicine to put me on my feet like it has, and I'm glad of the chance to tell everybody about it."

Tanlac is sold in Washington by C. S. Haver, in Lowell by Mason's Drug Store, in Jeffersonville by J. B. Davis, in Octa by I. W. Murphy and in Mil-ledgeville, E. L. Ford Sons, Lee Or-tman, Selden. — Advt.

CLINTONS EVEN UP THE SERIES WITH VICTORY

The Wilmington Clintons won the second game of the Fayette-Clinton series at Sunnyside Park, Sunday afternoon 7 to 6.

Or rather, they were presented with it by the local athletes. Chaffin's misjudgment of a line drive from Corwin's bat in the seventh inning was responsible for four runs and the game after the locals apparently had the game sewed up.

Niemeyer, while seemingly not up to his usual standard, pitched good enough ball to win. Although the Clintons are credited with 13 hits in the box score, really deserve only about nine or ten.

All was quiet in the scoring line until the Clinton third, H. White singled through 3rd and was forced by Gaines. Shuey then "Ruthed" one over the left field fence.

The Athletics immediately tied the count. Emery was safe on a bad peg by Schrimper and took second on a balk. Jones sent him over with a double to right. Doyle singled through third, "Nip" tapping the rubber.

Noon's left field double and Emery's three base blow to deep center accounted for a local tally in the fourth.

With two down in the Clinton's 6th, Noon muffed Davis' fly. Suttles shot a single through short, Davis crossing the pan.

Three infield hits, an out and Niemeyer's double to right caused the scorekeeper to chalk up 3 runs in Washington's 6th.

But the worst was yet to come. K. White, first man up in the Clinton 8th, drew a free ticket to McCall's station. On the hit and run Corwin shot a line drive to right that should have been an easy out. Chaffin, misjudging the ball and it went for a hit. Hits by Davis, H. White and Gaines followed and four runs were over.

The deciding game of this series will be played at Sunnyside Park next Sunday.

WOMAN INJURED
BUGGY WRECKED
BY FAST TRAIN

Mr. and Mrs. Frances Reed Have Miraculous Escape At Bad B. & O. Crossing.

Horse, Freed From Buggy, Runs Away — Injured Woman Brought To This City.

When horse and buggy was struck by the west-bound Baltimore and Ohio passenger train, known as the "Blue Flyer," just south of Bloomingburg about 3:20 Sunday afternoon, Mrs. Frances Reed was injured so badly that she is in the Fayette Hospital. The woman's husband, who was driving, escaped injuries more serious than bruises caused by his fall into the road. The buggy was demolished and ran up the pike with a few pieces of harness and the chaffs hanging to him. Mrs. Reed was removed to the Fayette Hospital and it was stated after examination that she was not fatally injured. No bones were broken.

Neither Mrs. Reed nor husband saw the flyer, they said, to the obstruction caused by a cornfield. Their first indication of danger was when the horse took fright and they saw the train bearing down upon them. The horse, in an effort to clear the track, leaped but the buggy was caught and smashed into a thousand pieces.

Mrs. Reed was carried several yards up the track while Mr. Reed, who held the reins with a viselike grip was carried out of the buggy when the vehicle was torn loose from the horse. He fell in the road. After striking the buggy the train was backed up to the crossing and Mr. and Mrs. Reed were brought to this city in order that Mrs. Reed might obtain medical attention as soon as possible.

The Reeds are tenants on the Jackson farm north of Bloomingburg. They had started to New Holland to visit a relative.

Mr. and Mrs. Reed had planned next week to go to Minnesota and spent the winter.

WILLIS BOYS STAR
IN DENISON GAME

Dick and Pete Willis Make First Entry Into College Football and Play the Full Game With Dick Making Only Touchdown.

As predicted at Denison University some time ago the Willis brothers of this city, Dick and Pete, Sophomores, made the Denison football team and got their first chance in the first game of the season Saturday against Case at Cleveland.

Although Dick practiced at half all season he was used at left tackle and by playing there was able to score the only touchdown of the game and thereby made his team a winner, 7 to 0. After Houriet, Case's left end, had fumbled Dick recovered and ran twenty-five yards in the last quarter for the only score.

Pete played the entire game at fullback. It was reported several days ago that because of an injury to one of his legs that he would not get into the first game but he was in every play Saturday, and smashed the line with the same form that made his name widely known in high school circle two years ago.

Don't Buy Uncertainty--
You No Longer Have To

IT'S LITTLE SHORT OF FOLLY WHEN BUYING A STARTING AND LIGHTING BATTERY, TO NOT KNOW THE DEFINITE SERVICE YOU MAY EXPECT FROM IT.

The Cooper Battery has made this sort of thing unnecessary any more. In the Cooper you are assured twenty-four long months of service. It must deliver that because the makers say so.

Now ask the other fellow how much service his battery will deliver; how long the maker and the service station is willing to stay behind it. It costs no more to buy certainty, if you buy a Cooper.
